

## Providence Milwaukie Hospital Greenman Garden

Commemorate someone you love with a beautifully engraved brick paver in the Greenman Garden of Providence Milwaukie Hospital. This is a wonderful way to permanently recognize your commitment – individual, family or organization – to our community hospital.

Studies show that patients who are exposed to natural light and the beauty of the outdoors feel better and heal faster. The Greenman Garden is a place for patients, families, visitors, hospital staff and the entire community to enjoy as part of our beautiful hospital campus.

The purchase of pavers for the Greenman Garden supports our hospital's ongoing needs. Buy a brick and be a part of this place for healing.
