

Providence Montana Health Foundation

The Circle of Caring Society is comprised of dedicated individuals, foundations, and businesses who are committed to supporting the health of our region. This community of compassionate donors make annual gifts of \$1,000 or more to Providence Montana, guaranteeing that, together, we ensure world-renowned care is available right here at home.

The Circle of Caring Society supports a variety of service lines and programs at Providence St. Patrick Hospital, St. Joseph Medical Center and the St. Patrick House. These annual gifts are critical to maintaining healthcare excellence in our communities.

Exclusive invites to hospital events, lectures, and openings

Personalized correspondence from our team

Hospital cafeteria voucher

Care package during hospital admissions

Providence Montana is grateful to our philanthropic leaders who live out the compassionate missions of Providence St. Patrick Hospital and St. Joseph Medical Center. Our society members make our exceptional care even stronger.

When you join the Circle of Caring Society, you become an active part of Providence's pursuit of excellence by providing resources that improve and sustain local healthcare.
