“Essential Community Members” Lift Up Mount Residents and Caregivers Through 2020

Flowers for Residents were donated from the community throughout the year and brought smiles and joy to all!

In a year unlike any other, we have been humbled and blessed by the outpouring of love and generosity from the community. And while 2020 brought us challenges and hardships we never could have imagined, it also brought us a renewed sense of gratitude for the incredible community that surrounds us, including you.

This past year, our caregivers at The Mount demonstrated the utmost professionalism, tenacity,

and dedication — anchored in grace and love — while facing perhaps the most challenging time of their work and lives. They truly showed up as Essential Heroes on behalf of keeping our residents and patients safe, well and connected.

And, they couldn't have done it without each of you — the Essential Community Members who joined us in this incredibly challenging effort. Even in the midst of your own struggles with the pandemic,

you still reached out and brought all of us closer. This support of family members, donors, Foundation Board members, Intergenerational Learning Center families, volunteers, and local community members helped in so many ways. From sewing masks, making face shields, funding equipment, serving as emergency corps volunteers, and dropping by with gifts of meals, cookies, fruit, and flowers — truly lifted everyone's spirits.

The love that flowed from the outpouring of calls, video clips, cards, and letters to help our residents know that they were not forgotten — gave us immense hope. Hope that comes from knowing that love conquers fear, even in a pandemic.

And, your financial support made a tremendous difference this past year. You will see in this “Giving” newsletter, that through your generosity, the Foundation was able to fund the critical needs of our new COVID-19 reality and provided over \$1 million to support the residents and programs at The Mount. Through the donation of iPads for video calls with loved ones,

gazebos for outdoor visits, to a mobile beauty salon, doorway happy hour, hallway bingo and even a dedicated internal television channel for residents to enjoy live streaming of Mass and other religious and entertainment programming. Through your help, we were able to provide these new ways to show residents that they are loved and not alone, especially while closed to visitors for most of the year. Gratefully, more than 75% of funds went to Resident Charitable Support — which remains at the heart of our mission to provide for those who have exhausted all financial resources.

While this past year has been a challenging time for all — we made the necessary sacrifices, adapted continuously, and did our very best to keep the residents and patients of The Mount as safe and well as possible. Our caregivers stepped up not only to the extra hours and work involved in infection prevention protocols, they also stepped in with full hearts as surrogate family while loved ones could not be on-site to visit. The resident birthday parties, virtual celebrations, and the tender help through times of loss were profound and meaningful for all.

As in each of our families, we are all perhaps forever changed.

We have come together more united than ever and have faced these challenges to help those who need us.

Through the love, support, and generosity of The Mount's Essential Community and through the devotion of our caregivers, one thing remains steadfast — the Mount's residents have a safe, vibrant, and loving place to live. On behalf of our residents, patients, and caregivers — thank you for your generosity to The Mount and the Providence Mount St. Vincent Foundation.

“Like the sun rising and banishing the nighttime, the support and solidarity of the greater community provided the love and encouragement needed to keep pushing through a pandemic that could at times feel unending. Nothing can be more vital than to feel you are not alone in a struggle, and the greater community support went above and beyond in helping us all feel connected and valued.”

— David J. Roesel, MD, MPH

2020 Giving Highlights!

3,000 masks

sewn by the community for residents and caregivers

500 face shields

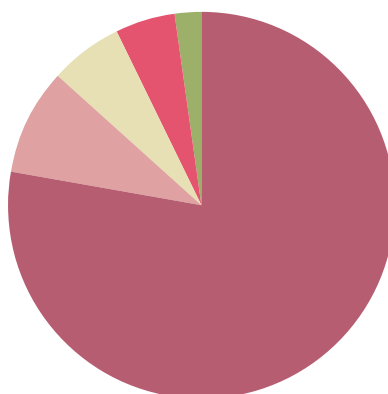

made by a neighbor to The Mount with their 3D printer

Thousands of meals

donated by local community members and restaurants to thank caregivers

More than ever the need for charitable support was first and foremost. Thanks to generous donors, the Foundation was able to continue the work that was so fundamental to what the Sisters of Providence envisioned when founding The Mount.

Providence Mount St. Vincent Foundation supported the following in fiscal year 2020:

- Charitable Care 77%
- Intergenerational Program Support 9%
- Wonderful Life Program Support 6%
- Other 5%
- Spiritual Care Support 2%
