

# Impact Report 2019

---

In 2019, Providence Southwest Washington Foundation donors provided more than \$4.5 in funding for mission driven programs and services, building healthier communities and continuing our more than 100-year tradition of serving the poor and vulnerable. Every gift makes a profound impact, from new equipment and services for patient care, to providing compassionate programs that tend to a patient's heart and soul, your generosity and compassion has helped inspire hope, health and healing. Below are just a few ministries who received 2019 funding:

- Dental Residency Program at Neighborcare Health Dental
- No One Dies Alone: NODA
- Providence Animal Assisted Therapies:  
PAAAT- Olympia and PAWS- Centralia
- Providence Centralia Hospital, Providence St. Peter Hospital and Providence Medical Group
- Providence Community Care Center
- Providence Mother Joseph Care Center
- Providence Regional Cancer System
- Providence Sexual Assault and Child Maltreatment Center
- Providence SoundHomeCare and Hospice
