2022 IMPACT REPORT
The Foundations at Kadlec

KADLEC
FOUNDATION

TRI-CITIES
Cancer
Center
FOUNDATION

LETTER FROM OUR CPO

Thank you! That is the simplest and most meaningful way I can share my gratitude to you our donors, and our larger community. As the person privileged to lead The Foundations at Kadlec, I am forever thankful for the incredible philanthropic support our organization enjoys. It comes from donors young, old and in between, all united in the belief in the 3,700 Kadlec caregivers who answer the call all day, every day in service to our patients.

I am honored to share with you our 2022 Impact Report of the Kadlec and Tri-Cities Cancer Center Foundations, or as we call them, The Foundations at Kadlec. Throughout this report, you will see the heartfelt and personal ways your gifts have translated into saving lives and bringing comfort to patients and their families.

You will meet a young man who learned at a very young age the importance of giving back. You will hear the inspiring story of a dedicated group of Kadlec volunteers who for nearly 75 years have faithfully supported Kadlec with their time and treasure. And you will meet a woman who was so touched by the inspiring work of our Kadlec Tri-Cities Cancer Center, that she makes a generous financial commitment PLUS travels from Seattle each Thanksgiving to personally greet cancer patients in the midst of treatment.

I conclude with the words that began this message. On behalf of the Foundations at Kadlec, thank you!

A handwritten signature in blue ink, appearing to read 'Jim'.

2022 YEAR IN REVIEW

january

DINE IN

The Dine IN program provided fresh, healthy meals to cancer patients to enjoy after treatment. Throughout 2022, nearly 1200 patient meals were provided.

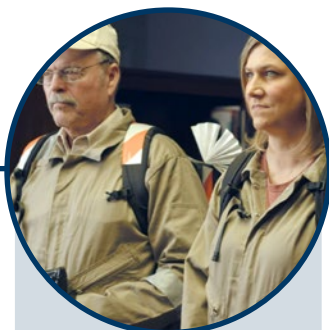

may

50 CALIBERS

The 50 Calibers 13th Annual Benefit Ride raised over \$20,000 benefitting the Tri-Cities Cancer Center Foundation.

march

CANCER CRUSHING BREAKFAST

The "Cancer Busters" premier raised over \$60,000 in support of cancer care in our community.

june

GOOSE RIDGE SCHOLARSHIP EVENT

Goose Ridge Estate Winery hosted a specialty wine experience event raising awareness of the Kadlec Foundation's Scholarship Fund initiative.

EXPERIENCE HEALTHCARE

The Kadlec Experience Healthcare Summer Program hosted 32 students from our community for a week-long immersion into the health care industry, inspiring interest in professions in the medical field.

august

SECOND K9 SECURITY TEAM (MAJOR & PETE)

The Kadlec Foundation supported the addition of two members to our K9 security team with K9 Major and his handler Pete. Major is a 2-year-old Belgian Malinois from Croatia.

november

AUTUMN AFFAIR

The 22nd annual Autumn Affair Auction and Gala raised over \$378,000 in support of world class cancer care in our region. This was the most ever raised at the event, and one of largest event totals for a gala in our community.

september

CANCER CRUSHING CHALLENGE

Nearly 300 runners and walkers took to the streets of Richland to participate in the Cancer Crushing Challenge 10k.

KADLEC GOLF CLASSIC

The Kadlec Golf Classic celebrated a record year, raising over \$90,000 to provide scholarships to local students pursuing health care education.

december

FAVORITE THINGS DAY

Tri-Cities Cancer Center Board Members brought joy to patients receiving cancer care on December 23 by treating them to gifts purchased from local businesses throughout our community.

YOUR INVESTMENT IN ACTION

TRI-CITIES Cancer Center FOUNDATION

Because of our generous supporters, the Tri-Cities Cancer Center made critical investments in 2022 to ensure that no one fights cancer alone.

2022 IMPACT...

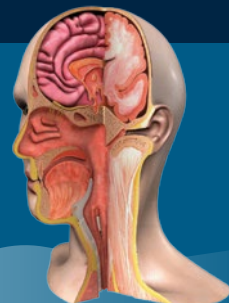

\$90,000

for new biopsy equipment

\$150,000

to purchase a new laryngoscope

\$165K

for patient needs like gas cards, medication assistance, groceries, vaccines for post-transplant patients, and lodging

OVER 1,100

fresh, healthy meals

to support the
Stop The Bleed
trauma program

A GIFT FROM THE HEART

If you had to spend the first 50 days of your life in an ICU, the feeling of gratitude can be quite profound. A 9-year-old Richland boy and his twin sister were in the Kadlec NICU for the first several weeks of their lives.

Both are doing great today, thriving third graders at Lewis and Clark Elementary School. Cade Jones was looking for a way to say thank-you to the caregivers who took such wonderful care of he and his sister. Cade donated his piggy bank money to the Kadlec Foundation. Below is the message Cade wrote:

Dear NICU,

I want to donate my dollars to you.
Here are my reasons:

1. Children are important.
2. I was born there.

Thank you!

Cade

From all of us at Kadlec, a huge thank you to Cade! His family is paying it forward in other ways. Cade's mom Cori, is a volunteer with Kadlec's "Cuddler Program", helping to soothe infants who begin life struggling with the addiction of their parents. Our pediatric clinical leaders have seen an increase in the number of babies impacted by addiction. People like Cori, and families like the Joneses, are grateful for the care they received at Kadlec. We are grateful to them.

Cade pictured with Anna Wroble, RN, Manager, NICU/Pediatric Unit

KADLEC AUXILIARY

When stopping by the main entrance to Kadlec Regional Medical Center, one of the first things you will see is the bright blue, green, and teal uniforms of the Kadlec Auxiliary ready to lend a helping hand wherever they are needed.

Formed in 1949, Kadlec Auxiliary exists to “support and assist the operation of Kadlec Regional Medical Center, on a volunteer basis.” More than 70 years later and with more than 200 active members, these critical volunteers work with clinical staff in almost every area of the hospital from sorting mail and sewing items to running our gift shop and escorting patients to and from appointments. Each year, the Kadlec Auxiliary provides an average total of over 50,000 service hours, thereby providing over \$1 million in savings to Kadlec’s operations.

“Being an Auxilian provides me with a great opportunity to do something that has purpose and meaning while helping others,” says Penny Turner, Auxiliary President. “At the end of my shift, I leave with an ‘I made a difference’ feeling. As a patient, I wanted to return the kind, thoughtful care I received by volunteering.”

But that’s not all! Over the years, Kadlec Auxiliary has donated more than \$3 million to Kadlec Foundation, including \$130 thousand during 2022 as a part of our Project da Vinci campaign.

“For 74 years Auxiliary Volunteers have been serving Kadlec, with the dedication to make things easier for Caregivers and Patients. I’m proud to be a part of that,” says Penny. “Kadlec, in return, has given support and guidance to the Auxiliary; always a warm welcome and thank you, as recognition for many hours of service and donations. No matter where the Auxiliary goes in Kadlec, we are always recognized.”

If you would like to learn more about how you can be a part of this important volunteer organization, please contact our Volunteer Services Supervisor, Tammie Gilley, at 509-942-2949 or tammie.gilley@kadlec.org.

PROJECT DA VINCI

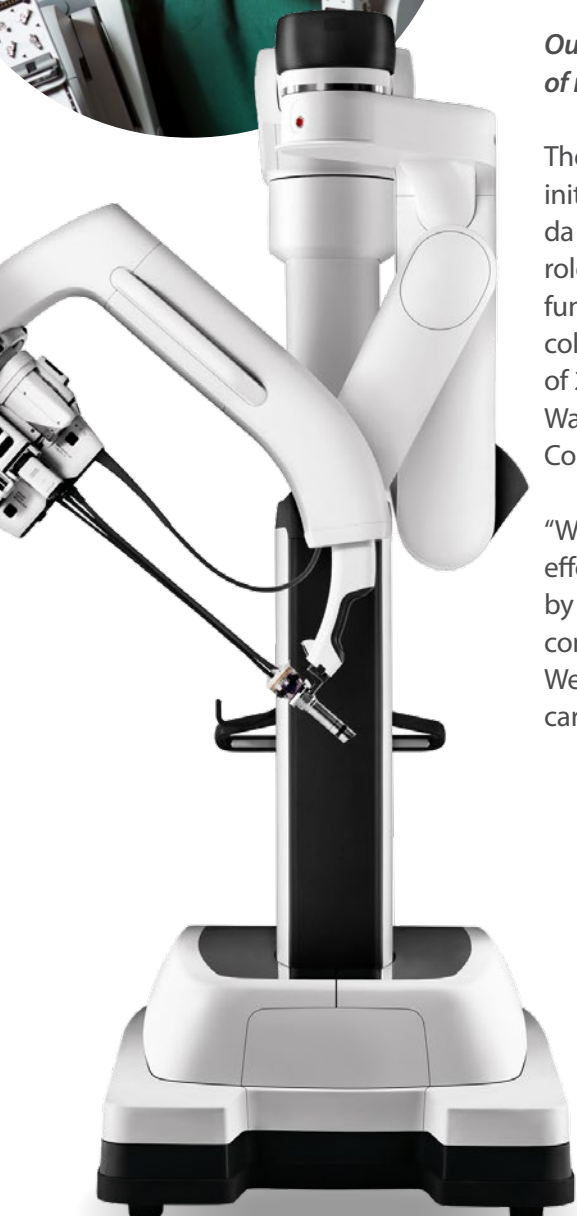

Kadlec has a rich history of health care excellence; our professional and compassionate caregivers, outstanding facilities and the latest medical technology to treat patients.

Hundreds of patients each year benefit from robotic surgery at Kadlec. The da Vinci Surgical System came to the Kadlec campus in 2012 and since then patients have experienced reduced pain and side effects, a dramatic decrease in complications and faster recovery times. Because of the incredible advantages to the da Vinci, capacity on the machine is maxed and patients who could benefit from this system often have to wait for necessary surgery due to increased demand.

Our Kadlec surgeons are in critical need of a second system to alleviate the burden of reduced access to patients in our community.

The Kadlec Foundation, thanks to generous contributions to our unrestricted funds, initially pledged \$1,000,000 (50% of the total cost) to the acquisition of this second da Vinci system. The Tri-Cities Cancer Center Foundation recognized the important role the da Vinci System can play in oncology care and established a “matching fund”, effectively doubling all community contributions up to \$500,000. This collaborative initiative of The Foundations at Kadlec surpassed its goal by the end of 2022, fueled by generous gifts from organizations such as the Kadlec Auxiliary, Washington River Protection Solutions, HAPO Community Credit Union and Bouten Construction, along with generous community and civic club donors.

“We are heartened with the way the community came together to support this effort,” said Jim Hall, chief philanthropy officer of The Foundations at Kadlec. “Led by the generous gift from our Kadlec Auxiliary, along with dozens of donors in our community, we are honored to be able to bring this project across the finish line. We look forward to the difference the additional surgical robot will make in our caregivers’ ability to serve more patients.”

VOLUNTEER STORY THAT MELTS

Rick the Ice Cream Man has become a regular face around the Kadlec Tri-Cities Cancer Center, bringing joy to patients, families, and caregivers each week with his treat cart stocked with ice cream, popcorn, chips, cookies, and more. It is always a happy day when we hear him coming down the hall!

When cancer struck Rick's family several years ago, he began bringing in snacks to share during chemotherapy infusions. "I felt so useless sitting in the chemo suite," he recalls, "This gave me purpose and others hope."

Through the course of treatment, Rick says he came to understand that cancer impacts not just the patient, but the families and medical professionals as well. "Oncology nurses, especially, are a rare breed with beautiful souls," he explains while talking about his love for our Cancer Center caregivers. "I've never been to a place where so many people care so much about helping others."

After losing his loved one to cancer, Rick continues to support the Cancer Center, bringing snacks and treats to patients and providers every Friday. "I kept it up after my loss, and the joy it brought me got me through some very dark times."

Having lived and worked in the Tri-Cities for over 30 years, Rick has devoted his life outside of work to helping others. "I want people to see that everyone can change the life of someone else, just by making them smile, and to inspire them to find joy in helping others," he says. "My only wish is that someone impacted by cancer finds a little more strength to get through the day because I showed them kindness."

"It fills my soul to be able to show patients, nurses, and doctors that they matter, and someone cares enough to make them smile." We thank you, Rick, for filling our souls and our bellies in turn – you are indeed an inspiration, and we truly appreciate you!

If you would like to join Rick spreading cheer throughout the Kadlec Tri-Cities Cancer Center or our other clinics, please contact Foundation Volunteer Coordinator, Anneliese Martinez, at (509) 737-3413.

BRAD FISHER LEGACY

legacy

*[noun]
the long-lasting impact of particular events, actions, etc. that took place
in the past, or of a person's life.*

The Tri-Cities Cancer Center Foundation originated 30 years ago as a gift to our community, a promise of lasting and impactful support of state-of-the-art cancer care in our region. Its collective impact is a rich tapestry of stories of individuals, who have shared our goals as part of their legacy, making sure that our support of this community is long-lasting.

Brad Fisher was an incredible example of legacy for many causes and endeavors of our Tri-Cities, and especially when it came to the impact of world class cancer care in our region. Brad served as a Foundation Board Member, beginning his service in 1996 and serving as both the Foundation President and Golf Tournament chair during his volunteer leadership with the Foundation.

Brad continued his support of LOCAL world-class cancer care, up until he passed from a glioblastoma, an aggressive form of brain cancer.

But as we soon found out, that support would live on. Our team received a call from Zach Fisher, Brad's son. Zach was interested in working with the Foundation for the 2nd Annual Brad Fisher Memorial Scramble golf tournament, selecting our cancer care program to be its beneficiary. Zach shared, "We host The Fisher Memorial Scramble in honor of our dad benefitting the TCCCF to carry on his charitable spirit and passion for the Tri-Cities community.

He was so proud that the Tri-Cities is home to an advanced cancer care center that allows patients to receive treatment near their families and loved ones. When he was diagnosed with Glioblastoma, there was never a doubt in his mind that he wouldn't receive the best care for his condition locally. As a family, we realize how important the cancer center is to the Tri-Cities and the excellent comfort and care it provided our dad towards the end of his life."

The tournament was held on August 4 at Zintel Creek Golf Course. Because of the generosity of the Fisher family, alongside many friends and sponsors, it raised just over \$18,500 for the Tri-Cities Cancer Center Foundation. These funds will be invested in programs and services to continue the growth of cancer care services throughout the Tri-Cities region.

Brad's legacy continued to impact the Tri-Cities Cancer Center Foundation. In August 2022, another Fisher joined us in the boardroom, as Brad's son Zach became a member of our Foundation Board of Directors. Zach joined "as a way to give back to the community I was born and raised in (because the Center) has helped so many individuals and families like my own."

This continued support to our Kadlec Tri-Cities Cancer Center is true testament to the Fisher family legacy and commitment to our community.

A SEASON OF GRATITUDE

Each year, our community gathers in the fall to support the amazing work by the team at Kadlec Tri-Cities Cancer Center at our annual Autumn Affair Auction and Gala.

One attendee always stands out to our staff and volunteers, and not just because of her pink hair. Her incredibly generous spirit to those who are currently fighting cancer, alongside her courageous efforts as she fought her own cancer, make Teresa Ford a true hero to our patients and staff at the Center.

If you missed this year's event, we had an amazing bidding war over an item that was so timely and meaningful to our patients. Each year we auction off the opportunity to hand out pumpkin pies to our patients receiving treatment on the Wednesday before Thanksgiving. We have been lucky to have Teresa and her husband Spencer Bishop bid feverishly to get it year after year. Because of her generosity, she has yet to miss a year winning this package – and this year was no different.

When the bidding war began for this item between Teresa and another bidder, it quickly got to \$5,000.

In the midst of the bidding war, Teresa stood proudly at her table, holding her bid number high in the air, never putting it down, and was not going to lose this package. When the other bidder was considering whether to raise their bid paddle, our auctioneer said, "Well if you don't raise it again, how am I going to get her to bid \$10,000?!"

Teresa said, "Sell it to me now and I will pay \$10,000 no question." Our auctioneer quickly said "Sold!" and the entire room gave her a rousing ovation.

The day the pies were handed out was a joyous and celebratory day for everyone involved, including Teresa. Most of all, the impact it made on the patients was truly special. A patient shared this with our Foundation team, "I received a pie today while I was there for my chemo. This lady brought rays of sunshine for us all today. Thank you. Happy Thanksgiving everyone."

The perfect description of Teresa. . . a ray of sunshine.
