

Community Health Foundation  
Napa Valley

Your gifts made a difference in 2023

# Gratitude Report

## MESSAGE FROM OUR BOARD CHAIR

# 2023 Was a Year of Incredible Generosity

Your heartfelt support makes all the difference for the Napa Valley community.

From Angwin to American Canyon and everywhere in between, we are leading the way in providing compassionate community-based care for those with serious illness, facing the end of life, or living with loss.

I have been honored to serve as chair of the Providence Community Health Foundation Board of Directors for six years.

I want to express my deepest gratitude as you stood with us as we rebranded to Providence and formalized our foundation. The organizational stability that came with the transition to Providence means that the

health system ensures our essential services continue uninterrupted and guarantees that your donations directly impact the lives of our patients and participants in the community.

Thanks to your kind contributions, our foundation board approved several initiatives this year that are already making a difference in our community. These include funding a new Palliative Care nurse, providing rehabilitation equipment for PACE participants, offering cremation services for low-income hospice patients, implementing brain health education programs for the community, and awarding scholarships for Adult Day Health participants. Your gifts positively touch many lives.

Thank you for all you that you do to support our work.

Gratefully,

Deborah Macdonald  
Chair, Providence Community Health Foundation Napa Valley

## ADULT DAY HEALTH ANNIVERSARY

# Adult Day Health Celebrates 25 Years of Compassionate Care

**Generous donor support helps program expand access and adapt to serve the changing needs of the Napa community.**

When our Adult Day Health program opened its doors in 1998, there were two employees—a young, visionary social worker and an enthusiastic nurse—and just one participant. Fast-forward 25 years and both employees, Celine Regalia and Karen Proteau, are still with the organization—and that first participant attended until October 2023..

The program has grown and expanded, responding to the needs of our Napa community and by developing into a nationally recognized facility for care of Alzheimer's disease and dementia.

"We are so grateful to all of our donors who help us serve more than 160 participants annually through our Adult Day Health program. Your generosity this year has helped launch our Sound Therapy program, underwrite caregiver support groups and workshops, train staff and volunteers to provide unique activities like TimeSlips, and so much more. You truly are the difference—making it possible for us to go beyond offering good care to providing excellent state-of-the-art care every day," says Christie Hebditch, Adult Day Health Program Director.

*A warm and enthusiastic Open House welcome from Reina Monge, Community Health Worker, Efren Motto and LaToi Howard, Person-Centered Care Specialists.*

*Our very first participant: Chuck, who attended the Adult Day Program from 1998 until October of this year.*

The Day Program's dedicated first employees—still teammates! Karen Proteau, RN, and Celine Regalia, then Social Worker, now Executive Director.

## 2023 GRATITUDE REPORT

# Your Gifts Made a Difference

**Gifts of gratitude come in many different forms.**

To Our Generous Donors:

As we reflect on the incredible gifts of 2023, we are in awe of you. Your generosity is transformational in compassionate care we're so honored to provide throughout the Napa Valley every day.

We know your gifts come from a deeply personal place, one rooted in a life-changing experience for you or a loved one and anchored in kindness for others navigating similar experiences.

For us and for you, philanthropy at Providence Community Health Foundation Napa Valley is personal. Grateful family members have mailed checks for \$5 or \$20 in honor of the excellent care their loved one received. Others have made larger gifts, funding grief support groups and day program scholarships.

Every donation helps elevate our service to the community. \$5 can provide a cupcake for a hospice patient's 100th birthday. A bequest can provide support for our Alzheimer's services for future generations.

As you read through this report, we want to express our deep gratitude for your trust and unwavering support of Providence Community Health Foundation Napa Valley. You can feel confident that your donations remain here in our community, making a significant difference in each of our programs. We hope you find joy in learning about the positive impact you made in 2023, and please know how grateful we are.

With appreciation,

**Jennifer McConnehey, CFRE**  
*Director of Philanthropy*  
Providence Community Health  
Foundation Napa Valley

**Erika Tavakoli, CFRE**  
*Director of Development Operations*  
Providence Community Health  
Foundation Napa Valley

# Navigating the Waves of Grief

In 2022, we conducted a Community Grief Support Needs Assessment. One of the key findings was that there was a lack of community grief support services in Spanish. As a result, thanks to generous donors like you, in 2023 we hired a new staff member to expand and facilitate our Spanish-language grief support services.

## About Our Program

One of the fundamental aspects of our hospice program is offering grief support for families following the passing of their loved ones. Moreover, our strong commitment extends to providing these services to all members of our community.

In late 2023, we adapted our eight-week Learning to Live with Loss support group and began offering culturally sensitive support for those in our Spanish-speaking community. The majority of those attending have lost a parent, but a growing number are grieving the loss of a child. The group started with four people, and within a few months has quickly grown to serve 17 people—clearly demonstrating this great need.

## Providing Comfort & Healing

According to group facilitator Yessenia Mendez, “The group has been an amazing support. It gives the clients hope to live without their loved ones. They have built a community with each other and now have a foundation where they can go for support even after the group is over.”

## Adapting to Meet Community Needs

Across our organization, our teams work hard to meet our clients in individual ways, which includes adapting our communications and materials for varying levels of computer skills, email access, and literacy. Recent participants have expressed their gratitude that we provide materials to them in their spoken language and in a paper format. This helps us address their needs and offer them resources they can truly use.

## Looking Ahead

Our team is currently developing plans to expand and offer more Spanish-language grief support groups. These include specific groups for those grieving the loss of parent or other adult versus the loss of a child. The team will also launch a new program to provide age-specific grief support for children in both English and Spanish in 2025.

*Yessenia Mendez, Program Coordinator*

## VOLUNTEERS

# Dedicated Volunteers Ease the Way for Our Patients, Participants, and Families

Selfless acts of kindness significantly impact the patient care experience.

Providence Community Health Napa Valley volunteers contributed more than 12,500 hours in 2023. Just 337 people completed this astounding number of hours, furthering our mission to provide compassionate care for all. We're especially grateful to the 21 volunteers who have given 10 years or more of service.

Our volunteers are actively assisting with hospice patient companionship, adult day health activities, fundraising events, sorting items in our thrift store, or helping with administrative tasks at the front desk. Those serving on our Foundation Board also volunteer their time.

*Volunteers complete a background check, basic health screening, orientation, and any additional training needed for a position. We welcome those who can demonstrate the ability to maintain confidentiality, collaboration, reliability, and effective communication.*

**Learn  
more about  
becoming a  
volunteer**

**"Every day, in every part of our organization, volunteers bring light and love to our patients, visitors, and staff. We are so grateful for the time they share to lovingly care for our patients, participants, and families. It's an honor and a delight to work with them."**

— Anne House, Volunteer Services Manager

## REFLECT & REJOICE

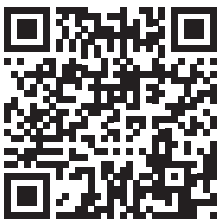

# Generous Donors Gave \$650,000 at our 17th Annual Benefit

**Our deepest gratitude goes out to you, our compassionate donors, dedicated sponsors, and passionate volunteers who made Reflect & Rejoice such a success!**

Our 17th annual celebration featured our exciting gala at Castello di Amorosa as well as spectacular live and online auctions. Whether it was the fun of viewing the amazing sports cars on the crush pad or the joy of spending time with old friends, it was lovely to gather and celebrate with our generous donors like you.

Special thanks go out to Robin and Michelle Baggett, our honorary chairs, whose generosity and hospitality were felt throughout the evening. The live auction included a fabulous selection of auction lots including collectible wines; a private dinner prepared by Iron Chef Masaharu Morimoto; a weekend golf experience at the exclusive Monterey Peninsula Country Club Pebble Beach; and other incredible one-of-a-kind experiences.

Under the direction of Event Chair and Foundation Board Member Valerie Peebles, along with a tireless committee, the celebration raised more than \$650,000 to support our programs for those with serious illnesses including Alzheimer's disease and end-of-life care. Thank you so much for your generosity and for the enormous impact it has on some of the most vulnerable people in our community.

**WATCH THE  
VIDEO**

A heartwarming Fund-a-Need video featured St. Helena's own Sandy McIlmoyl and her cherished family as we supported them through her final journey. Scan the QR code or click the link to watch the video!

Our annual fundraiser is held the first Friday of September. We hope you will join us next year! To learn more visit [reflectandrejoice.org](http://reflectandrejoice.org).

## THANK YOU TO OUR GENEROUS DONORS

# Legacy Society

We are honored to recognize all those who have included Providence Community Health Foundation Napa Valley in their will or estate plans.

---

*"I felt firsthand the comfort and dignity at the end of life that hospice can provide when one of my sisters was diagnosed at a young age with metastatic breast cancer. Including PCHFNV in our estate plan gives me peace, knowing our community will be able to draw benefit from this service in the future." —Marilyn Asmuth*

Community Health Foundation  
Napa Valley

414 S. Jefferson Street

Napa, CA 94559

Tax ID 68-393144

[foundation.providence.org/ca/napa](https://foundation.providence.org/ca/napa)

## OUR MISSION

Our foundation's mission is to ensure that Providence Community Health Napa Valley has sufficient resources to provide whole person, compassionate care for individuals and their families who are experiencing serious illness, the transitions of aging, and end of life. We are committed to ensuring that Providence Community Health Napa Valley never has to deny services to anyone based on their inability to afford care.

## OUR VALUES

Compassion, Dignity, Excellence, Connection,  
Respect, Collaboration
