YOUR GIFTS MADE A DIFFERENCE IN 2025

GRATITUDE REPORT

MESSAGE FROM OUR BOARD CHAIR

A Year of Compassion, Connection, and Community Strength

A Message From Lynne Hobaugh, Board Chair

As I reflect on 2025, I am filled with deep gratitude for the extraordinary generosity that strengthened our work throughout Napa Valley. This year brought both meaningful expansion and tender moments of connection—each one made possible because of you.

Every day, our teams walk alongside older adults, caregivers, and families navigating the challenges of memory loss, chronic illness, grief, and the transitions of aging. Your support ensured that they never walked alone. From the first reassuring phone call after an Alzheimer's diagnosis to the comforting presence of our grief counselor, every act of care reflected your compassion.

One of the most profound accomplishments of 2025 was the expansion of our Alzheimer's & Dementia Resource Center. This growth has allowed us to reach more families earlier, deepen caregiver support, and bring new tools and hope to those living with memory loss. It represents the very heart of our mission—responding to our community's greatest needs with dignity, expertise, and love.

We also celebrated a year of vibrant community engagement—from volunteer-driven programs to the unforgettable Music and Memories gala celebration. Every event, every gift, every shared moment of generosity reminded me how strong we are when we come together.

Thank you for believing in this work. Thank you for caring for your neighbors. And thank you for ensuring that compassionate, whole-person care remains accessible to everyone in Napa Valley.

With heartfelt appreciation,

Lynne Hobaugh

— Celine Regalia, Executive Director

**Permanently designated to support Adult Day Health Scholarships and the Alzheimer's & Dementia Resource Center.*

COMMUNITY IMPACT

Expanding Hope: The Growth of Our Alzheimer's & Dementia Resource Center

A Stronger Foundation for Families in Napa Valley

For nearly 50 years, our organization has walked alongside families, offering comfort, education, and compassionate care. Today, as the need grows across our region, we are expanding our Alzheimer's & Dementia Resource Center (ADRC) to reach more families—earlier, more deeply, and with greater impact.

With the help of generous donors like you, we are broadening access to essential programs such as caregiver support groups, early stage memory loss education, family consultations, respite offerings, and community workshops. These services are lifelines for caregivers and individuals living with memory loss—delivering the guidance, stability, and empathy they deserve.

Meeting a Growing Community Need

The rising incidence of Alzheimer's and dementia impacts countless households across Napa County. Our expansion is designed to:

- Provide earlier intervention and post-diagnosis support.
- Strengthen caregiver resilience.
- Expand memory support programs.
- Remove barriers to access for underserved community members.

Our expanded ADRC services allow us to better meet community needs, helping families where they are, and delivering care that uplifts and empowers them.

Program Enhancements Made Possible by Donors Like You

Your generosity fuels expanded ADRC services for local individuals and families navigating some of life's most difficult moments, including:

- Increased caregiver support
- Expanded early-stage programs
- Greater respite opportunities

Together, we are building a community where no family faces Alzheimer's or dementia alone.

COMMUNITY IMPACT

Connections NAPA • COUNTY

A New Front Door to Support—Thanks to You

Because of your generosity, Napa County's older adults, individuals with disabilities, and caregivers now have an easier way to find help through Connections Napa County—a centralized resource connecting people to services that support independence, dignity, and quality of life.

Launched in 2025, Connections Napa County builds on our long-standing Information & Assistance program and brings together trusted partners: Providence Community Health Napa Valley, the Napa/Solano Area Agency on Aging, and Disability Services & Legal Center, along with a number of other community organizations.

Through a one-stop website and a dedicated support team, individuals and families can get guidance on health care, housing, food, transportation, caregiver support, and more.

Made possible by donors like you, Connections Napa County is strengthening access to compassionate, coordinated care across our community—and it's a resource you can use, too.

Explore it. Share it. Visit **connectionsnapacounty.org** and pass it along to friends, family, or neighbors who may need support.

Walking Beside Children and Families When It Matters Most

Grief Support for Napa Valley's Youngest

In 2025, our Tender Steps program provided compassionate grief support to 29 children as they navigated the loss of someone they love. During this critical time in their young lives, each child took brave steps forward. Thanks to generous donors like you, these children were met with patience, encouragement, and hope—when they needed it most.

Tender Steps is designed to surround children and their families with care when early intervention can make a lifelong difference. For many families, the program represents a first connection to consistent support—a place where concerns are heard, progress is recognized, and no child is overlooked.

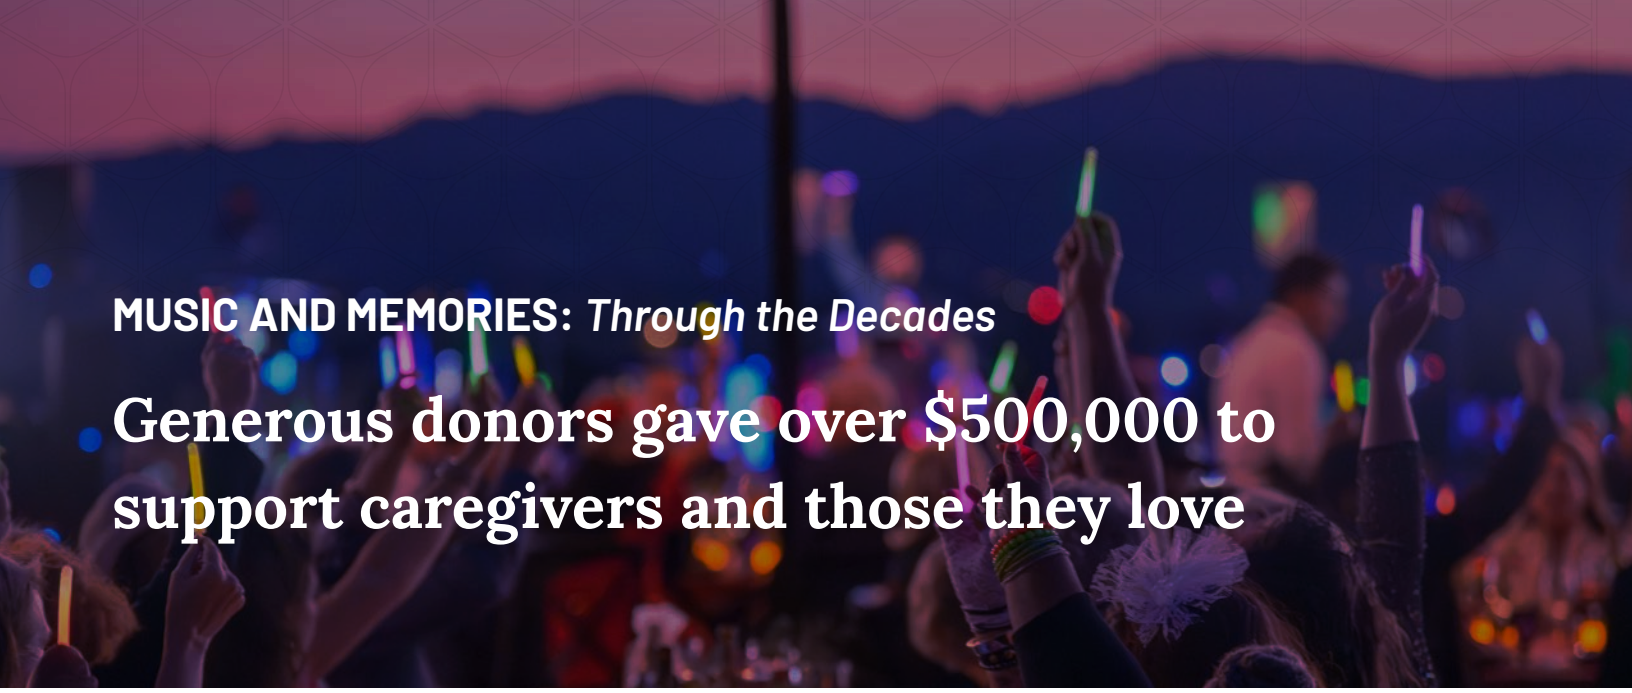
"Many of the children we serve are carrying grief they don't yet have words for, so utilizing art therapy is especially beneficial. Tender Steps gives them a safe place to process loss, feel supported, and begin healing in ways that make sense for them."

— Yesennia, Bereavement Counselor

Throughout the year, children in Tender Steps made meaningful strides at their own pace. Some found new ways to express themselves. Others gained confidence as they developed skills that help them engage more fully with the world around them. Each small victory—often invisible to outsiders—was monumental to the children and families walking that journey together.

Equally important, Tender Steps supported families during moments that can feel overwhelming. Parents and caregivers were given guidance, reassurance, and the knowledge that they were not alone. The program's nurturing approach helped build trust, reduce stress, and foster resilience.

We are deeply grateful for your belief in the Tender Steps program and the children it serves. Thank you for walking alongside us—and alongside these families—one step at a time.



MUSIC AND MEMORIES: *Through the Decades*

Generous donors gave over $500,000 to support caregivers and those they love

Thanks to our generous donors, dedicated sponsors, and wonderful volunteers, the 2025 Music and Memories celebration was a remarkable success. Your kindness and energy helped create an unforgettable evening—and brought hope to families across Napa Valley.

Guests arrived dressed in creative outfits inspired by every decade from the 1760s all the way to the 2020s. The alfresco event took place against the beautiful backdrop of Signorello Estate's newly built wine caves, setting the stage for an evening filled with joy, color, and connection.

Friends mingled, enjoyed outstanding wines from Signorello Estate, and tasted dishes inspired by different eras, all crafted by Chef Nash Cognetti of Brindare Napa Valley. As guests moved through the wine caves, they explored local artist Mintang Fitzpatrick's immersive art installations and took part in a hands-on demonstration of our sound therapy program.

Every note played helped create a more compassionate tomorrow.

The night continued outdoors with dinner and dancing under the stars to The Cheeseballs. When the auction began, guests raised glow sticks—one for every person touched by Alzheimer's or dementia. As hundreds of lights shimmered among the crowd, it became a moving tribute to the patients and families we serve.

Thanks to the dedication of our board and our hardworking event committee, the celebration raised just over $500,000 to strengthen our Alzheimer's and dementia care programs. To everyone who attended, volunteered, or gave: thank you. Your generosity is making a real difference in our community.

Join us on August 28, 2026 at Grgich Hills Estate to continue supporting families throughout Napa Valley and ensuring that compassionate dementia care thrives.

Together, We Showed Up for Our Community

In 2025, we came together in ways that truly mattered. From joyful gatherings to meaningful moments of connection, each event reflected the heart of this community—compassionate, generous, and deeply committed to caring for one another.

Whether we were celebrating, learning, remembering, or simply sharing time together, these moments were made possible because of you. Thank you for showing up, for standing with us, and for being such an essential part of our story.

These photos are from our Spring 2025 Living Well Lecture featuring Melanie Ambler, a Stanford medical student, who uses music to comfort patients in palliative care, composing songs based on their life stories.

Attendees included members of our President's and Director's Circles—an extraordinary group of supporters committed to compassionate care across Napa Valley. Through annual gifts of $2,500 or more as President's Circle members and $1,000 or more as Director's Circle members, these donors provide leadership-level support that strengthens vital programs and ensure our mission thrives year-round.

Their generosity allows us to respond quickly to emerging community needs and ensure high-quality, person-centered care for individuals and families when they need it most.

To learn more about joining the President's Circle or Director's Circle, we invite you to click here.

OUR LEGACY SOCIETY

Leaving a Legacy of Compassion

Including Providence Community Health Foundation Napa Valley in your will or estate plan is one of the most meaningful ways to ensure compassionate care for future generations.

Legacy Society members help guarantee that:

- No one is ever turned away due to financial hardship.
- Families facing Alzheimer's, dementia, chronic illness, or grief receive expert, dignified support.
- Our programs remain strong, sustainable, and available for decades to come.

A planned gift—of any size—creates a lasting ripple of kindness throughout our community.

If you have already included us in your plans, please contact us at 707-254-4166. We would like to thank you and welcome you into our Legacy Society. By letting us know, we can ensure that we fulfill your gift exactly as you intended.

Did You Know?

If you're age 70½ or older, you can make a Qualified Charitable Distribution (QCD) directly from your IRA to support our mission. A QCD is a great way to give as it counts toward your required distribution without increasing your taxable income, turning it into a meaningful gift for our community.

OUR MISSION

We inspire generosity to bridge health care and human care—so individuals and families are supported through the medical, practical, and emotional transitions that accompany aging, serious illness, and dementia.

Our vision is a better world where health care is fully human—supporting people not only through treatment, but through every stage of aging, illness, and caregiving.

OUR VALUES

Compassion, Dignity, Excellence, Connection, Respect, Collaboration
